

Catalyst Grant Program

Funding Opportunity for Innovative Ideas for 2.2g ao(or)7ol .8 (u)9.l(e)-2.oy (

Do you have an idea that could help patients or improve the way we do things?
Do you need time or funding to make it happen?
We have an opportunity for you!

Award Amounts
\$1,000 - \$50,000

Applications Due
March 1, 2024

The Catalyst Grant Program at Shirley Ryan AbilityLab accelerates innovation in the global use of science and technology to improve human health and quality of life. Catalyst Grants fund projects that enhance clinical research, for innovation, and advance in care and complexity.

There are five Catalyst Grant categories —Project Grant, Quality Grant, Mentorship Grant, Translational and Foundational Grant. Please be sure to read the full information carefully and select the most appropriate category for your idea.

SPECIAL PROJECT GRANT OPPORTUNITY

The 2024 Cycle will include a special funding priority for 1-2 Project Grants specific to the care and rehabilitation of individuals with Multiple Sclerosis. This special funding opportunity is for individuals with ideas related to this special opportunity for individuals with Multiple Sclerosis.

Eligibility and Application Information

- 1) Every application must include a researcher and non-researcher (clinician or non-clinician) individuals who will participate in the research project. Each person must have a role in the research team. If you need assistance identifying a research partner, please contact Melis Bidyk (mbidy@slab.org).
- 3) Submit application as a single PDF file at <https://compinfo.nyu.edu/grants/CatalystGrant24> by March 1, 2024, 11:59pm CST.
